**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I hope you're able to allow the smaller competitors to provide fair market pricing.

I used one of the top telecom carriers and found keeping up their pricing and marketing tactics very confusing, sometimes misleading, and time consuming.

I just want to pay a fair price for reliable service. Technology continues to make it cheaper to provide telecom service so I don't understand why the price would go up for the same service. Broadband has become a basic utility, like water and power.

Thanks.
